

DOWNTOWN MERCED LAO NEW YEAR CELEBRATION

Brought to you by Vatthanatham Lao Foundation

Saturday May 4, 2024

The **Downtown Merced Lao New Year Celebration** will highlight the culture and heritage of the Lao people, which were solidified during the reign of the ancient Lan Xang Kingdom (1353 C.E. - 1707 C.E. "Land of a million elephants"). After centuries of conflicts and border changes, modern-day Laos encompasses over 60 ethnic groups (including the Khmu, Hmong, and Mien) who also celebrate their respective cultural new years during different times of the year, as well as Lao New Year in April.

Before 2018, it had been over 30 years since the Lao community had a public celebration of the Lao New Year in Merced. Each year, we hope to make the Celebration bigger and better, as we do our part to help revitalize Downtown Merced.

Festivities will start at 10 am with the community taking part in giving alms and offering food to the Monks in the parking lot of Bangkok Restaurant. Following the offerings, the parade will begin around 1pm, from I Street down Main Street to K Street and circle back to I Street. Traditional "Baci" ceremony, water Festivities, and cultural performances will be in the parking lot of Bangkok Restaurant. Food, Artisan, Business, and organization booths will fill the streets of Downtown Merced. Live music will be played from the main stage for guests to dance until closing.

There are opportunities for businesses and organizations to be a part of this event. Join us for the **Downtown Merced Lao New Year Celebration**, and we hope to count on your support.

Sponsorship Opportunities (not limited to one major sponsor):
